

J100CLAD™ Air-Insulated Switchgear (AIS)

Our J100CLAD air-insulated switchgear (AIS) is an IEEE rated, non-arc resistant, metal-clad product line with J3MAG™ vacuum circuit breakers. It provides centralized control and protection of medium voltage power equipment and circuits.

Our switchgear can be assembled in various combinations and offers freedom of breaker and auxiliary equipment to meet user application requirements. Two-high breaker arrangements are standard up to 15 kV while one-high arrangements can be furnished when required.

- Indoor and outdoor options available
- Galvanized steel, metal-clad construction
- Closed door racking
- Top and bottom cable or bus duct entry

APPLICATIONS

- Utility
- Data Centers
- Commercial & Industrial
- Energy Storage
- Solar Power
- Wind Power

KEY SPECIFICATIONS

- ISO 9001 compliant and UL certified
- IEEE/ANSI compliant for metal clad
- Indoor NEMA enclosure rating
- Power range: Up to 75 kVA CPT
- Voltage level: Up to 15 kV
- Visit website for current lead times

About Us

At JST Power Equipment, we pride ourselves on delivering world-class transformer and electrical equipment solutions. The key to our success is the ability to provide quality products with speed and precision through the dedication of our talented team.

For over 30 years, we've evolved to become an innovator in the electrical industry and we work hard to design and build our products to the highest quality standards. And as we look toward the future, we're continuously investing in our technology, facilities and people to engineer the best solutions in the industry and create more value for our customers.

At JST we're more than a manufacturer, we're transforming the future of power.

WHERE YOU CAN FIND US

North America

- Orlando, FL USA
 - Switchgear
 - Outdoor substation breakers
- Wytheville, VA USA
 - Liquid-filled, three-phase padmount transformers
- Nogales, Mexico
 - Cast resin dry type transformers
 - Switchgear
 - Materials, components, and sub assemblies

Asia

- Surabaya, Indonesia
 - Substation power transformers
- Klang, Malaysia
 - Liquid-filled, padmount transformers
 - Switchgear
 - Outdoor substation breakers
- Tongxiang, China
 - VPI transformers
- Guilin, China
 - Unit substations
 - Cast resin dry type transformers
 - Materials, components, & sub assemblies
- Haikou, China
 - Materials, components, and sub assemblies
 - Cast resin dry type transformers
- Shanghai, China
 - VPI transformers
 - Switchgear
- Wuhan, China
 - Cast resin dry type transformers
 - Substation power transformers
 - Materials, components, and sub assemblies
- Yangzhou, China
 - Liquid-filled, padmount transformers
 - Outdoor substation breakers
 - Switchgear
