

# Single-Phase Liquid-Filled Pad Mounted Transformer

**POWER  
EQUIPMENT**

Our single-phase liquid-filled pad mounted transformer dielectric fluid-filled, distribution transformers specially designed to improve power performance while reducing weight and enhancing quality, safety and sustainability.

Engineered to ensure reliable power distribution, the compartment-type design is suitable for mounting on outdoor pads and designed for handling underground power distribution loads for a wide range of industry applications.

Our padmount solutions offer the following benefits:

- Space saving, compact design
- Easy to install with low maintenance
- Serves a wide range of industry applications

## REQUEST A QUOTE

Contact your regional sales representative  
or visit our website [www.JSTpower.com](http://www.JSTpower.com)

## APPLICATIONS

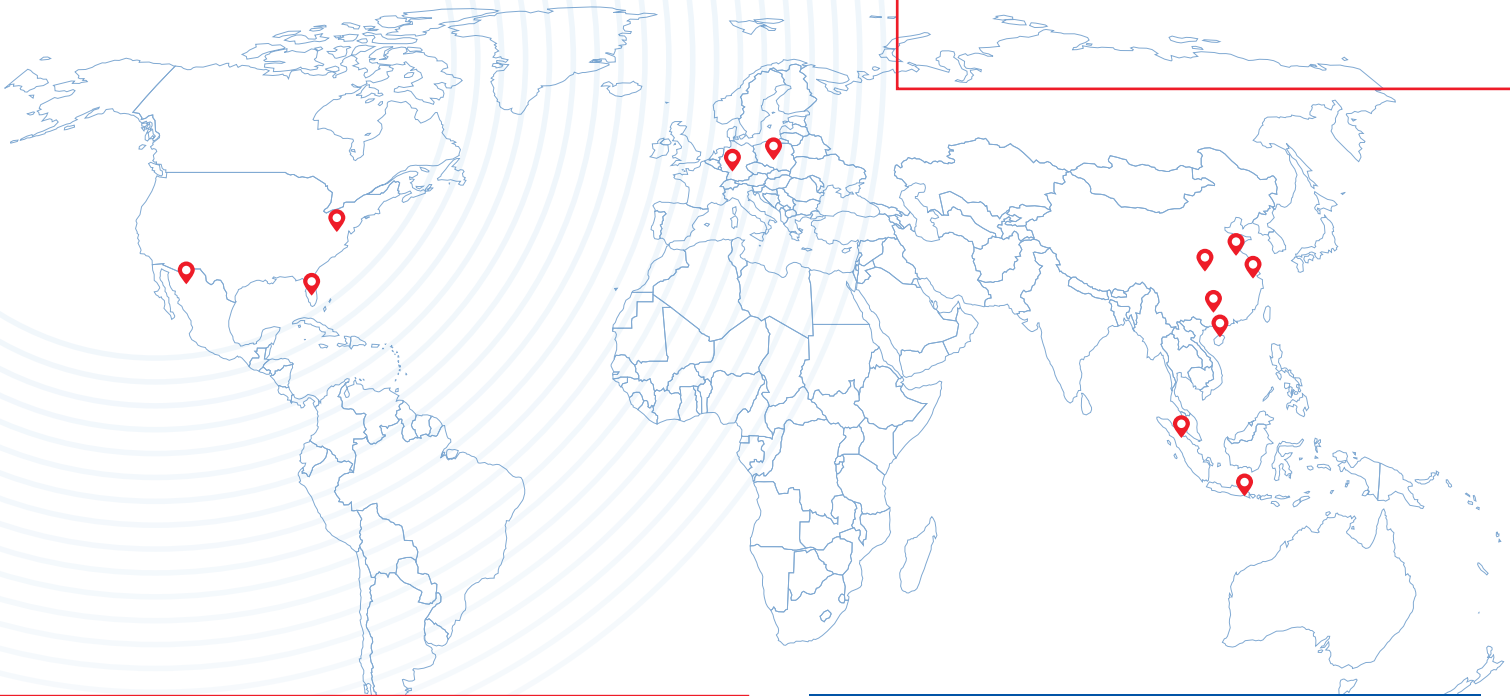

- Utility
- Data Centers
- Commercial & Industrial
- Renewable Energy

## KEY SPECIFICATIONS

- Power range: 15 kVA – 167 kVA
- Voltage level: Up to 34.5 kV
- Quality system ISO 9001 certified
- UL Listed
- ANSI, IEEE, NEMA, CSA and DOE standards
- Visit website for current lead times

## About Us

At JST Power Equipment, we pride ourselves on delivering world-class transformer and electrical equipment solutions. The key to our success is the ability to provide quality products with speed and precision through the dedication of our talented team.

For over 30 years, we've evolved to become an innovator in the electrical industry and we work hard to design and build our products to the highest quality standards. And as we look toward the future, we're continuously investing in our technology, facilities and people to engineer the best solutions in the industry and create more value for our customers.

At JST we're more than a manufacturer, we're transforming the future of power.

## Where you can find us

### North America

- Orlando, FL USA
- Wytheville, VA USA
- Nogales, Mexico

### Europe

- Frankfurt, Germany
- Lubliniec, Poland

### Asia

- Guilin, China
- Haikou, China
- Shanghai, China
- Wuhan, China
- Yangzhou, China
- Surabaya, Indonesia
- Klang, Malaysia
